

§ 1201.21

5 CFR Ch. II (1–1–16 Edition)

frame, or for the duration of the pendency of a case.

(2) A judge or the Clerk of the Board may require that any document filed electronically be submitted in non-electronic form and bear the written signature of the submitter. A party receiving such an order from a judge or the Clerk of the Board shall, within 5 calendar days, serve on the judge or Clerk of the Board by postal mail, by fax, or by commercial or personal delivery a signed, non-electronic copy of the document.

(o) *MSPB reserves the right to revert to traditional methods of service.* The MSPB may serve documents via traditional means—postal mail, fax, personal or commercial delivery—at its discretion. Parties and their representatives are responsible for ensuring that the MSPB always has their current postal mailing addresses, even when they have registered as e-filers.

(p)(1) Except as provided in paragraphs (p)(2) and (3) of this section, all pleadings (including the initial appeal) except those containing classified information or Sensitive Security Information filed with the Washington Regional Office (WRO) and the Denver Field Office (DEFO) by agencies or attorneys must be e-filed. Agencies and attorneys in proceedings in the WRO and the DEFO must register as e-filers pursuant to paragraph (e) of this section.

(2) Agencies or attorneys who believe that e-filing would create an undue burden on their operations may request an exemption from the administrative judge for a specific appeal and/or pleading. Such a request shall include a specific and detailed explanation why e-filing would create an undue burden.

(3) Except in unusual circumstances, exemptions granted under this section shall apply only to pleadings that include scanned material. All other pleadings except those containing classified information or Sensitive Security Information must be e-filed. The administrative judge may periodically revisit the need for an exemption granted under this subsection, and revoke the exemption as appropriate.

APPEAL OF AGENCY ACTION; PLEADINGS

§ 1201.21 Notice of appeal rights.

When an agency issues a decision notice to an employee on a matter that is appealable to the Board, the agency must provide the employee with the following:

(a) Notice of the time limits for appealing to the Board, the requirements of § 1201.22(c), and the address of the appropriate Board office for filing the appeal;

(b) A copy, or access to a copy, of the Board's regulations;

(c) A copy, or access to a copy, of the MSPB appeal form available at the Board's Web site (<http://www.mspb.gov>), and

(d) Notice of any right the employee has to file a grievance or seek corrective action under subchapters II and III of 5 U.S.C. chapter 12, including:

(1) Whether the election of any applicable grievance procedure will result in waiver of the employee's right to file an appeal with the Board;

(2) Whether both an appeal to the Board and a grievance may be filed on the same matter and, if so, the circumstances under which proceeding with one will preclude proceeding with the other, and specific notice that filing a grievance will not extend the time limit for filing an appeal with the Board;

(3) Whether there is any right to request Board review of a final decision on a grievance in accordance with § 1201.155 of this part; and

(4) The effect of any election under 5 U.S.C. 7121(g), including the effect that seeking corrective action under subchapters II and III of 5 U.S.C. chapter 12 will have on the employee's appeal rights before the Board.

(e) Notice of any right the employee has to file a complaint with the Equal Employment Opportunity Commission or to grieve allegations of unlawful discrimination, consistent with the provisions of 5 U.S.C. 7121(d) and 29 CFR 1614.301 and 1614.302.

(f) The name or title and contact information for the agency official to whom the Board should send the Acknowledgment Order and copy of the appeal in the event the employee files

an appeal with the Board. Contact information should include the official's mailing address, email address, telephone and fax numbers.

§ 1201.22 Filing an appeal and responses to appeals.

(a) *Place of filing.* Appeals, and responses to those appeals, must be filed with the appropriate Board regional or field office. See § 1201.4(d) of this part.

(b) *Time of filing.* (1) Except as provided in paragraph (b)(2) of this section, an appeal must be filed no later than 30 days after the effective date, if any, of the action being appealed, or 30 days after the date of the appellant's receipt of the agency's decision, whichever is later. Where an appellant and an agency mutually agree in writing to attempt to resolve their dispute through an alternative dispute resolution process prior to the timely filing of an appeal, however, the time limit for filing the appeal is extended by an additional 30 days—for a total of 60 days. A response to an appeal must be filed within 20 days of the date of the Board's acknowledgment order. The time for filing a submission under this section is computed in accordance with § 1201.23 of this part.

(2) The time limit prescribed by paragraph (b)(1) of this section for filing an appeal does not apply where a law or regulation establishes a different time limit or where there is no applicable time limit. No time limit applies to appeals under the Uniformed Services Employment and Reemployment Rights Act (Pub. L. 103-353), as amended; see part 1208 of this title. See part 1208 of this title for the statutory filing time limits applicable to appeals under the Veterans Employment Opportunities Act (Pub. L. 105-339). See part 1209 of this title for the statutory filing time limits applicable to whistleblower appeals and stay requests.

(3) An appellant is responsible for keeping the agency informed of his or her current home address for purposes of receiving the agency's decision, and correspondence which is properly addressed and sent to the appellant's address via postal or commercial delivery is presumed to have been duly deliv-

ered to the addressee. While such a presumption may be overcome under the circumstances of a particular case, an appellant may not avoid service of a properly addressed and mailed decision by intentional or negligent conduct which frustrates actual service. The appellant may also be deemed to have received the agency's decision if it was received by a designated representative or a person of suitable age and discretion residing with the appellant. The following examples illustrate the application of this rule:

Example A: An appellant who fails to pick up mail delivered to his or her post office box may be deemed to have received the agency decision.

Example B: An appellant who did not receive his or her mail while in the hospital may overcome the presumption of actual receipt.

Example C: An appellant may be deemed to have received an agency decision received by his or her roommate.

(c) *Timeliness of appeals.* If a party does not submit an appeal within the time set by statute, regulation, or order of a judge, it will be dismissed as untimely filed unless a good reason for the delay is shown. The judge will provide the party an opportunity to show why the appeal should not be dismissed as untimely.

(d) *Method of filing an appeal.* Filing of an appeal must be made with the appropriate Board office by commercial or personal delivery, by facsimile, by mail, or by electronic filing under § 1201.14.

(e) *Filing a response.* Filing of a response must be made with the appropriate Board office by commercial or personal delivery, by facsimile, by mail, or by electronic filing under § 1201.14.
